## EXPERIENCE SPARKLING WINE PRODUCTION

### How is high-quality sparkling wine made?

Those who would like to experience this in person are invited to embark on a voyage of discovery with us: From the breathtaking marble hall, the tour leads seven floors deep into the vaulted cellar and the modern Sektmanufaktur. Here, guests will enjoy a unique insight into the art and craft of sparkling wine production. This is not just dry theory – guests will get to savour tastings of exquisite ‘pearls’.
